List medications and what they are used for:_____

Bedding we have luxurious bedding for every size of dog. If you must bring a blankey please make sure it is freshly laundered. ***We cannot guarantee that a blanket or toy will not be damaged.**

Toys we have lots of toys for your baby to play with. You are more than welcome to bring 1 or 2. Please put your name on it. ***If this is the baby's favorite I suggest you purchase a new toy, and leave their favorite at home. We cannot guarantee that toys will not get dirty, damaged or even lost.**

We will have a **Yappy Hour** every day , and will be serving yogurt and fresh fruit that is in season. It is important to know if that is fine for your dog that he or she has no known allergies?

Bedtime consist of a Goodnight Kiss followed with a **Kong Stuffed With Cherrios and Peanut Butter or Cream Cheese.** Which ever our Royal companions prefer. Please let us know if the client has had any problems with Peanut Butter or Cream Cheese.

Feeding Instructions: (If you have a special feeding regiment please write down the amounts clearly.

Our client's happiness is our number one concern. You may either choose to bring your pets own food that he or she has been accustomed to, or we will be happy to use our quality Eagle Brand Food.

***However if you choose to bring your pets own food please divide food into small Baggies for each day of your pets stay.**

***This also goes for if you have vitamins and supplements you would like for them to take on a daily basic.**
